

Battery Chargers

for Samsung Galaxy XCover Series

The Ultimate Way To Charge Your Galaxy XCover Batteries

Dependable and scalable battery charging solutions for small agile teams or large scale operations using Samsung Galaxy XCover series smartphones. Cradles are available in 4-slot and 20-slot configurations with separate models for XCover7/ XCover6 Pro/XCover Pro and XCover 5.

Battery Chargers

for Samsung Galaxy XCover Series

Convenient

Just plug in the DC connector and you're ready to charge. Batteries are charged simultaneously, making batch charging easy to manage for teams of all sizes.

Secure

Each battery fits securely into the cradle to ensure a stable charging environment. Simply insert batteries into the cradle to begin charging!

Designed

KOAMTAC charging cradles are designed to best utilize limited counter or desk space, while providing simple, yet, powerful charging solutions. Each charging cradle features integrated LED indicators to clearly display charging status.
