## Well-equipped

Charging Cradles for Samsung Galaxy XCover7 feature 15W fast charging and LED indicators for easy monitoring. Enhanced security features include temperature detection to prevent overheating, with waterspout protection against water damage. Adaptive charging maximizes efficiency and battery life.

## Versatile

The cradles are available in 1-slot, 2-slot, 5-slot, and 10-slot configurations, with additional models featuring XCover7 Smartcase compatibility. All cradles support simultaneous charging for XCover phones and batteries, where applicable.

## Secure & Convenient

The XCover7 fits securely into the cradle and charges via pogo pins, resulting in less wear-and-tear on device ports.

## Upgradable & Future-proof

Using a versatile spacer system, your investment stays secure even with the release of the next generation Galaxy phone. When upgrading to new smartphones, just replace the spacers, not the whole charging solution, reflecting our commitment to reducing electronic and plastic waste.
