## Charging Cradles for SKX5<sup>®</sup> SmartSled<sup>®</sup>

### Charge Your SKX5 SmartSled Quickly and Securely

Our 1-slot and 5-Slot SKX5 Charging Cradles are the easiest and most secure way to keep your XCover 5 with SKX5 SmartSled charged. Additional battery capacity is never far away because these cradles feature built-in battery slots to simultaneously charge your XCover 5 with SKX5 SmartSled and spare 2,000mAh Extended Batteries.

#### Convenient

Both the 1-slot and 5-slot SKX5 Charging Cradles support Adaptive Fast Charging. With the ability to charge via USB Type-C or DC connector, your devices can be charged wherever and whenever. Additionally, the 1-slot Charging Cradle comes equipped with a slot to charge a spare 2,000mAh Extended Battery while the 5-slot Charging Cradle comes equipped with 5 Extended Battery slots.

#### Secure

The SKX5 fits securely into the cradle with or without a Protective Boot to ensure a stable charging environment thus avoiding accidental drops while charging. Just place the device into the cradle to begin charging!

#### Charging Cradle Details
