### What's in the Box?

- > 1 x XCover6 Pro Smartcase Extended Battery Pack
- 1 x 3950mAh (Rated) / 4050mAh (Typical) Li-ion XCover6 Pro Battery

- \* XCover6 Pro Battery is installed into the Smartcase Extended Battery Pack.
- \* Tweezers and PH0 screw driver (not included) will be necessary to complete assembly.

### **Inserting the XCover6 Pro Battery**

 Remove both screws from the battery door of the Smartcase Extended Battery Pack. Then, remove the battery door. (A)

# Starting/Stopping Phone Charging

Charging provided from the Smartcase Extended Battery Pack can be toggled on or off. When on, the Extended Battery Pack will provide power to the phone. When off, it will stop providing power to the phone.

### To start charging (ON)

Press the STATUS button once. After displaying the battery capacity, the Extended Battery Pack will begin charging the phone.

#### To stop charging (OFF) Press and hold the STATUS button for 2 seconds.

Automatically charges upon detecting external power. To stop charging, disconnect from power and press status button for 2 seconds.

### Additional Accessories
