

Smartcase

for Samsung Galaxy XCover6 Pro

Protect and Shield Your XCover6 Pro

When it comes to durability, accept no compromises. Prioritize durability with the Smartcase for your XCover6 Pro, featuring a resilient design to shield against shocks and safeguard your device.

Durable Protection

The innovative Smartcase for the Samsung Galaxy XCover6 Pro prioritizes protection with its resilient rubberized frame, complete with a raised edge to absorb the harshest shocks and shield your camera and display. Crafted from sturdy polycarbonate, this case is built to withstand hard drops on the most challenging of surfaces.

Charging Cradle Ready

KOAMTAC provides charging solutions that are fully compatible with the XCover6 Pro Smartcase, eliminating the hassle of removing the case during charging. With the use of pogo pins, the XCover6 Pro can charge while securely docked in the cradle, reducing wear on device ports. Charging cradles are available in multiple configurations, including models for charging only the smartphone, or the smartphone equipped with the Smartcase Extended Battery Pack. They also work seamlessly with the Smartcase Belt Clip and Hand Strap for added user convenience.

Accessory Compatibility

The Smartcase features an integrated attachment point for easy accessory installation. Together, these accessories not only elevate the functionality of your device but also enhance its portability and usability in various situations, ensuring you can make the most out of your device wherever you are.
