## Charging Cradles for Galaxy XCover Pro

### A Fast and Easy Way to Charge Your Samsung Galaxy XCover Pro

Our 1-slot and 5-Slot XCover Pro Charging Cradles are the easiest and most secure way to keep your devices charged. The cradles feature built-in XCover Pro Battery slots to keep extra batteries charged and are easily upgraded to support the SKXPro SmartSled.

#### Convenient

Both the 1-slot and 5-slot XCover Pro Charging Cradles support Adaptive Fast Charging. With the ability to charge via USB Type-C or DC connector, your devices can be charged wherever and whenever. Additionally, the 1-slot Charging Cradle comes equipped with a slot to charge a spare XCover Pro battery while the 5-slot Charging Cradle comes equipped with 5 slots for spare XCover Pro batteries.

#### Secure

The Samsung Galaxy XCover Pro fits securely into the cradle to ensure a stable charging environment thus avoiding accidental drops while charging. Just place the device into the cradle to begin charging!

#### Upgradable

When the time comes for your business to upgrade to the SKXPro SmartSled for barcode scanning both the 1-slot and 5-slot XCover Pro cradles can be upgraded to support the sled solution.

#### Charging Cradle Details
