Extended Battery Pack for XCover6 Pro Smartcase

Power on Demand, Always in Hand

The Extended Battery Pack connects directly to the Samsung Galaxy XCover6 Pro Smartcase, providing additional battery life that's portable and convenient.

Extra Capacity

The primary advantage of the Smartcase External Battery Pack is the ability to double the battery life of your Samsung Galaxy XCover6 Pro. Attaching the battery pack directly to the Smartcase charges the XCover on-the-go, allowing users to stay charged during power-intensive tasks or in environments without access to power sources.

Convenient

The Extended Battery Pack is compact and low profile, making it highly portable. Once attached, it seamlessly integrates with the XCover6 Pro, allowing for uninterrupted charging while you work. Simply use the built-in button on the back of Extended Battery Pack to start and stop charging your XCover6 Pro from the Pack's reserves.

Rechargeable

Use the integrated USB Type-C port or Charging Cradles for the XCover6 Pro Smartcase to simultaneously charge your XCover6 Pro(s) and Extended Battery Pack(s). Cradles are available in 2- and 10-slot configurations and support Adaptive Fast Charging (AFC).

LED Indicators

Easy-to-see LED indicators on the back of the Extended Battery Pack display charging and discharging status at a glance.

Extended Battery Pack Details

Electrical Characteristics

Material: Lithium-Ion Polymer Cell

Nominal Voltage: 3.85 V

Charge Voltage: 4.4 V

Rated Capacity: 3950mAh 15.21 Wh

Typical Capacity: 4050mAh 15.59 Wh

Dimensions

3.5" x 5.0" x 1.3" (90 mm x 126 mm x 32 mm)

Weight

4.9 oz (139 g) (includes battery)

LED Indicators

Red orange, and green indicators

User Environment

IP Rating: IP54
